

**Parkway South Basketball
Offensive Skills Camp
Wednesday, June 13th 2pm-4pm**

Who: Open to all boys and girls entering 3rd thru 8th grade who want to improve their offensive skills

What: This camp will help develop basic fundamentals of dribbling, passing, and shooting. This camp will also look at ways to reduce turnovers, create scoring opportunities with the dribble, create separation from the defense and improve overall decision making. No matter what your skill level, our goal is to challenge your ability to improve your game. If you already have some skill with the ball, this camp will take your ability to the next level. If you're a beginner that struggles with offensive skills, this camp will help you improve your confidence with the ball, help you reduce turnovers, and help you quickly take your ball handling skills to the next level.

Where: Parkway South High School *Gym A* and *Gym C*

When: Wednesday, June 13th at 2pm and conclude at 4pm. We will provide a camp t-shirt for each player. Each player is asked to bring their own basketball. If they do not have a basketball, they do not need to purchase one.
